Equal Opportunities Policy

HR Manager: Janine Smith

This document contains confidential proprietary information and is provided subject to return upon request and upon the express condition that it will not be used in whole or in part in any way detrimental to the interests of Envirotect Ltd

This Document may not be reproduced in any way without the written authorisation of Envirotect Ltd

Purpose and scope

The purpose of this Equal Opportunities Policy is to communicate our commitment to equality of opportunity in employment, with the aims of ensuring that all employees and job applicants are treated fairly and equally, and supporting Envirotect Ltd's objective of providing a working environment that is free from all forms of discrimination.

The policy applies to all staff within Envirotect Ltd, including employees and other workers, such as agency workers, temporary workers and contractors. All staff are expected to put this policy into practice.

A copy of this policy will be distributed to all employees and can also be found on our website www.envirotectltd.co.uk and will be made available to other workers on their engagement. Job seekers and applicants can access the policy via Envirotect Ltd's website and will be sent a copy of the policy on request.

In addition, all employees and staff will receive specific training and briefing on this policy. The induction process for new employees and staff includes a briefing on this policy.

Any questions about the policy should be directed to the HR Manager.

This policy does not form part of employees' contracts of employment and Envirotect Ltd may amend it at any time.

The policy is regularly reviewed and may be amended at any time.

Policy statement

Envirotect Ltd is fully committed to providing equality in the workplace and all opportunities for, and during employment, will be afforded to individuals fairly and irrespective of age, disability, gender, gender reassignment, marital or civil partnership status, pregnancy or maternity, race including colour, ethnic or national origins and nationality, religion or belief or sexual orientation. We aim to create a working environment that is free from discrimination and harassment in any form, in which all staff, customers and suppliers are treated with dignity and respect.

Envirotect Ltd will not unlawfully discriminate in the arrangements we make for recruitment and selection or in the opportunities afforded for employment, training or any other benefit. All decisions will be made fairly and objectively. We aim, as far as reasonably practicable, to ensure that all our working practices are applied fairly and consistently and, where necessary, we will take reasonable steps to avoid or overcome any particular disadvantage these may cause and to promote equality.

Envirotect Ltd respects an individual's right to choose whether or not to belong to a trade union and membership status will have no bearing on an applicant's suitability for employment or result in any detrimental treatment when working for Envirotect Ltd.

Specific Responsibilities

Envirotest Ltd has overall responsibility for the effective operation of this policy and for ensuring compliance with the Equality Act 2010 and associated legislation and for observing relevant Codes of Practice.

The HR Department is responsible for monitoring and reviewing the policy and for ensuring that all employment-related policies, procedures and practices adhere to this policy.

All staff have a responsibility not to discriminate or harass other staff, clients/customers and suppliers and to report any such behaviour of which they become aware to the HR Manager.

All management personnel are responsible for implementing the Equal Opportunities Policy and must apply the policy as part of their day-to-day management of Envirotest Ltd. All management personnel will receive specific training in this policy.

Forms of discrimination

The following are forms of discrimination that this policy aims to avoid:

- **Direct Discrimination** occurs when a person is treated less favourably because of a protected characteristic that they either have or are thought to have. Direct discrimination can also occur by way of association, which is when a person is treated less favourably because, for example, their spouse or partner or other relative has the protected characteristic.
- **Indirect Discrimination** occurs when a provision, criterion or practice is applied equally to everyone, but has a disproportionately adverse effect on people who share a particular protected characteristic. A person with the protected characteristic who is disadvantaged in that way has the right to complain. To be justified the provision, criterion, or practice must be necessary for legitimate business reasons in circumstances where less discriminatory alternatives are not reasonably available.
- **Victimisation** occurs where someone is treated unfavourably because he/she has raised a complaint under this policy or taken legal action, in relation to any alleged act of unlawful discrimination, against Envirotest Ltd or because he/she has supported someone else in doing this.
- **Harassment** is unwanted conduct that violates an individual's dignity or creates an intimidating, hostile, degrading, humiliating or offensive environment. Harassment can take many different forms and may involve inappropriate actions, behaviour, comments, emails or physical contact that causes offence or are objectionable. Harassment may involve a single incident or persistent behaviour that extends over a period of time and can occur even if someone did not mean to cause offence. It also means that a person can be subjected to harassment by behaviour that is not aimed at them directly but which they nonetheless find unpleasant.

Harassment is always unacceptable and where it relates to a protected characteristic it will amount to an unlawful act of discrimination.

- **Discrimination arising from Disability** – in addition to the above, it is unlawful to treat a person unfavourably because of something that is the result, effect or outcome of their disability, unless the treatment is necessary and can be objectively justified. Furthermore, employers have a duty to make reasonable adjustments to ensure that disabled applicants, employees or other workers are not substantially disadvantaged.

Creating equal opportunities in the workplace

There are a number of ways in which Envirotect Ltd aims to ensure equal opportunities in the workplace, including:

- **Recruitment and selection** – Recruitment and selection procedures will be free from bias or discrimination. Recruitment procedures will be conducted objectively and will be based upon specific and reasonable job-related criteria. Decisions regarding an individual's suitability for a particular role will be based on aptitude and ability. We will consider making appropriate reasonable adjustments to the recruitment process to ensure that disabled applicants are not substantially disadvantaged. Wherever suitable, vacancies will be advertised as being suitable for flexible working, to encourage applications from individuals seeking work on a part time.
- **Career development and training** – All staff will be given an appropriate induction to enable them to fulfil the responsibilities of their role. All employees will be encouraged to develop their full potential and we will not unreasonably deny an employee access to training or other career development opportunities. These will be identified and will be determined objectively, taking into account the needs of the business and available resources. Selection for promotion will be based on objective criteria and decisions will be made on the basis of merit.
- **Terms and conditions** – Our terms and conditions of service will be applied fairly and benefits and facilities will be made available to all staff who should have access to them, as appropriate. Envirotect Ltd operates a pay and benefits system that is transparent, based on objective criteria and free from bias to ensure that all employees are rewarded fairly for their contribution and loyalty. Terms and conditions of employment for part-time employees will be provided on a pro-rata basis to full-time employees except when different treatment can be objectively justified.
- **Employment policies and practices** – Envirotect Ltd aims to ensure that employment policies and practices, including any rules or requirements, do not directly or indirectly discriminate and are applied in a non-discriminatory manner. In particular we will ensure that all disciplinary decisions are fair and consistent and that selection for redundancy is based on objective criteria. Envirotect Ltd will consider making appropriate reasonable adjustments to the working environment or any work arrangements that would alleviate any substantial

disadvantage these cause disabled staff. We will aim, as far as reasonably practicable, to accommodate the requirements of different religions and cultures and will consider requests from employees to vary or change their working hours to enable them to care for a dependant.

- **Working environment** – All individuals have a right to be treated with dignity and respect and Envirotec Ltd takes reasonable steps to protect staff from discrimination, bullying or harassment and, in the event of a complaint, we will take appropriate action to prevent, as far as possible, a further occurrence. All staff are encouraged to report any incidents of inappropriate or unacceptable behaviour at work or that occurs during the course of employment, on or off premises, including at work social events (whether organised by the Company or not) or at formal or informal events involving staff, customers or other work-related contacts.

Equal Opportunities Monitoring

Envirotec Ltd will monitor the effectiveness of this policy to ensure it is achieving its objectives.

As part of this process we monitor:

- the composition of job applicants and decisions in recruitment
- the composition of our workforce
- access to training, promotion and other opportunities and benefits
- the impact of our employment policies
- dismissals and other terminations

Information collected for monitoring purposes will be treated as confidential and will not be used for any other purpose.

Raising a complaint of discrimination

If you believe you have been discriminated against, or harassed, you should raise the matter with the HR Manager.

Any employee who is found to have committed an act of discrimination, harassment or breached this policy in any other way, will be subject to action under the Disciplinary Procedure, up to and including dismissal. Non-employees will be subject to appropriate formal action that may, depending on the circumstances, involve terminating any contract or agreement.

Envirotec Ltd will also take seriously any malicious or, in its opinion, unwarranted allegations of discrimination and will take appropriate action, disciplinary or otherwise, where necessary.

Signed:
